✓ U.S. Duty

All shipments imported into the U.S. will be subject to applicable duties and taxes as required by U.S. customs regulations. **The duty rate should be applied based on the declared value (item price, excluding shipping and insurance), determined by the HTS code and country of origin.**

✓ Estimated U.S. Duty&Tax

An estimated U.S. duty and tax calculated at a specific percentage (preset rate) based on your shipment's declared value. **The declared value should be based only on the actual item price, excluding shipping and insurance.** The preset rate applied may change from time to time and the preset rate at the time of actual charging shall prevail. Final settlement depends on the bill amount.

✓ U.S. Import Clearance Processing Fee

This fee applies to all shipments imported into the U.S.

✓ U.S. Duty Processing Fee

This fee applies to all shipments imported into the U.S. on which customs duties have been levied. It is an additional processing fee charged at 2.1% of the total amount of customs duty.

Surcharges	Charging Method	Charge
U.S. Duty	Per Shipment	Final settlement depends on the bill amount.
Estimated U.S. Duty&Tax	Per Shipment	Final settlement depends on the bill amount.
U.S. Import Clearance Processing Fee	Per Shipment	JPY 245
U.S. Duty Processing Fee	Per Shipment	2.1% of the total amount of customs duty Final settlement depends on the bill amount.

✓ Fuel Surcharge

A Fuel Surcharge is a floating fee imposed by carriers in addition to the base freight rate to offset the fluctuating costs of fuel (specifically jet fuel and diesel). It is designed to protect carriers from the volatility of energy prices. Its calculation base is solely the freight charge. This Fuel Surcharge applies only to export shipping rates.

Updated biweekly. See announcements at eBay SpeedPAK | OrangeConnex Japan for details

✓ Declaration Withdrawal Fee

Applies when an export customs declaration must be withdrawn due to customer-caused mis-declaration or under-declaration, resulting in declaration failure and the shipment being returned. A fee of JPY 1,000 per shipment will apply.

Kindly note:

- *All rates are exclusive of all applicable taxes and the final settlement is subject to the amount on the bill.*
- *The Shipping Rates exclude all surcharges, please refer to the Surcharges page for details.*
- *Please note that the charge will be based on the greater of either the volumetric weight or actual weight. Volumetric weight (in kg) is calculated as Length x Width x Height (cm) / 8,000.*

✓ Bulky Fee

The fee will apply to shipments classified as bulky goods if they require special handling or processing due to their dimensions, shape, or packaging. For instance, shipments smaller than 15 x 11 x 1 cm, those larger than 120 x 60 x 60 cm, or irregularly shaped packages will incur this fee.

The final settlement is subject to the amount on the bill.

✓ Demand Surcharge

This surcharge will apply during the peak season, from November 1 to December 31, 2025.

Surcharges	Charging Method	Charge
Bulky Fee	Per Shipment	JPY 2,520
Demand Surcharge	Per Shipment	JPY 34

✓ Domestic Return Shipping Fee

If your package does not meet shipping requirements, such as containing prohibited items, exceeding weight and dimension limits, or having an invalid postal code, it will be returned to the address you provided from our warehouse in Japan. You will be responsible for covering the return shipping fee.

Kindly note:

- *Weight & Dimension Limits: Chargeable Weight ≤ 25 kg, Length + Width + Height ≤ 170 cm. If your package exceeds our shipping requirements, we are unable to facilitate its return. You may arrange for self-pickup or contact our Customer Service team to discuss alternative return shipping methods.*
- *The final settlement will be based on the amount invoiced. The domestic return shipping fee already includes the consumption tax.*

✓ Fuel Surcharge

A Fuel Surcharge is a floating fee imposed by carriers in addition to the base freight rate to offset the fluctuating costs of fuel (specifically jet fuel and diesel). It is designed to protect carriers from the volatility of energy prices. Its calculation base is solely the freight charge. This Fuel Surcharge applies only to export shipping rates.

Updated biweekly. See announcements at eBay SpeedPAK | OrangeConnex Japan for details

✓ Declaration Withdrawal Fee

Applies when an export customs declaration must be withdrawn due to customer-caused mis-declaration or under-declaration, resulting in declaration failure and the shipment being returned. A fee of JPY 1,000 per shipment will apply.

- **Duty***

All shipments imported will be subject to applicable duties and taxes as required by customs regulations. ***The duty rate should be applied based on the declared value (item price, excluding shipping and insurance), determined by the HTS code and country of origin.***

555 JPY/Per HS code， The final settlement is subject to the amount on the bill

✓ Duty Processing Fee

This fee applies to all shipments imported on which customs duties, taxes & other related charges have been levied. It is an additional processing fee charged at 2.1% of the total amount of duties, taxes & other related charges. Final settlement depends on the bill amount.

The final breakdown and amounts of all DDP-related charges are subject to the actual invoice issued.

Kindly note:

- *Weight & Dimension Limits: Chargeable Weight ≤ 25 kg, Length + Width + Height ≤ 170 cm. If your package exceeds our shipping requirements, we are unable to facilitate its return. You may arrange for self-pickup or contact our Customer Service team to discuss alternative return shipping methods.*

✓ Formal Entry Fee

The Formal Entry Fee collected by Australian Customs is an administrative charge for processing formal import declarations. This fee applies in the following situations: when a single parcel exceeds AUD $1,000 in value, when the total value of parcels arriving in Australia for the same consignee on the same day exceeds AUD $1,000, or when goods require detailed assessment under Australian import regulations.

For formal import declarations, if a single parcel contains more than three SKUs as determined by Customs, or if the total number of SKUs across parcels arriving in Australia for the same consignee on the same day exceeds three, Australian Customs may charge a declaration processing fee for each SKU starting from the fourth item. This SKU processing fee will be included in the formal entry fee.

✓ Government Charges

This fee applies in the following situations requiring formal import declarations: when a single parcel exceeds AUD $1,000 in value, when the total value of parcels arriving in Australia for the same consignee on the same day exceeds AUD $1,000, or when goods require a detailed assessment under Australian import regulations.

✓ AU Quarantine and Inspection

This fee applies to goods that are subject to quarantine controls and inspection upon arrival in Australia.

✓ AQIS Customs Document fee

This fee is a charge imposed by Australian Customs to cover the cost of processing and handling documentation related to the quarantine and biosecurity inspection of imported goods.

✓ Customs Disposal

This fee applies to goods that cannot be cleared through customs and are directly destroyed by customs authorities.

✓ Bonded Warehouse Disposal

This fee applies to goods that are returned to the bonded warehouse and destroyed due to failed delivery.

✓ Duties, Taxes & Other Charges

According to the DDU trade terms in Australia, shipments imported by the same consignee on the same day must not exceed a total transaction value of AUD $1000, If the value exceeds AUD $1000, additional fees may apply.

✓ Declaration Withdrawal Fee

Applies when an export customs declaration must be withdrawn due to customer-caused mis-declaration or under-declaration, resulting in declaration failure and the shipment being returned. A fee of JPY 1,000 per shipment will apply.

✓ Fuel Surcharge

A Fuel Surcharge is a floating fee imposed by carriers in addition to the base freight rate to offset the fluctuating costs of fuel (specifically jet fuel and diesel). It is designed to protect carriers from the volatility of energy prices. Its calculation base is solely the freight charge. This Fuel Surcharge applies only to export shipping rates.

Updated biweekly. See announcements at eBay SpeedPAK | OrangeConnex Japan for details
